

Digital Ticketing, Concessions, and Fundraising

Save time and enrich the event experience to create lasting memories for your fans.

TICKETING

Fastest Scheduling

Set up your schedules once and start ticketing in minutes. Add single events or entire seasons.

Turnkey Event Management

Create events, sell tickets, track sales, and run reports effortlessly - all in one platform.

Quick & Easy Checkout

Fans buy tickets in seconds using a credit or debit card, Apple Pay, or Google Pay.

Best Gate Experience

Fans enter events quickly and securely. Validate tickets with your ideal method.

Keep 100% of Ticket Sales

Set your ticket prices for each event and keep all revenue. We even cover credit card fees.

No Lost Revenue

Improve security and transparency with digital payments and real-time financial reporting.

Reduce Event Expenses

You won't need to ask as many of your busy staff members to work at your events.

Onsite Card Payments

Accept onsite card payments for tickets and concessions with iPads and card readers.

CONCESSIONS

Simple Setup & Management

Easily create a unique list of items, select your prices, and start selling instantly. Add and edit items as needed.

Easy Point of Sale

Complete orders and process payments quickly with an iPad or any iOS device and card reader. Fans can pay with a credit or debit card, Apple Pay, or Google Pay.

Quick Insights

Access sales data on demand with intuitive reports. Track all concessions revenue along with your events to streamline bookkeeping.

FUNDRAISING

Tell Your Story

Inspire your community and launch an engaging fundraiser page in minutes. Include a description, photo, progress bar, and pre-selected donations.

Grow Your Support

Connect with your loyal fans to build awareness. Make it easy for donors to discover and contribute to your cause with placement on your school's digital ticketing page.

Track Your Success

Manage and update your fundraiser on the go and receive prompt weekly settlements. Identify trends, optimize strategies, and maximize your potential.

FINANCIAL HUB

Get Information Easily

Easily find financial data with a simple search by date or event ID.

Reconcile Events Quickly

Reconcile all your events in minutes with just a few clicks.

Access Data on Demand

Budget and forecast accurately with real-time access to event sales data.

Run Reports Instantly

Access high-level summaries or individual reports on tickets sold, event attendance, and revenue.

Enhance Security

Save time, improve transparency, and eliminate revenue leakage with digital payments.

Improve Audit Outcomes

Be prepared to pass your audits with accurate statements for all your events.

WHY GOFAN

Highest Security Standards

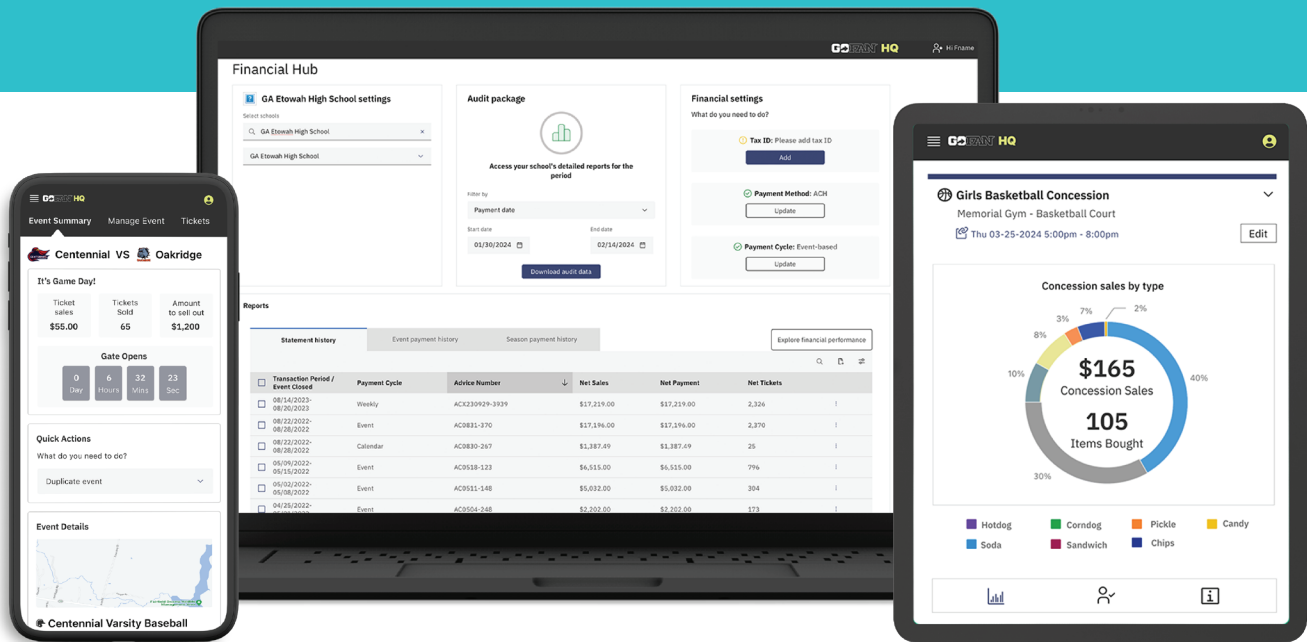

GoFan and Stripe are both certified as PCI Level 1 Service Providers. We manage your Stripe account for you.

Preferred Partner

GoFan is the official digital ticketing partner of 40 state associations for postseason events.

Outstanding Customer Service

As a GoFan partner, you will have a dedicated Customer Success Manager to serve as your primary contact and advocate.

ABOUT US

The PlayOn team is comprised of GoFan, the NFHS Network, and rSchoolToday. Together, we elevate the event experience for schools and fans across digital ticketing, streaming, scheduling, fundraising, websites, and activity management.
